

## Brighton window

Guests at the 24th Annual Silent Auction to benefit Almost Home check out auction items and bids Thursday at Valley Bank & Trust on East Bromley Lane near I-76. The bank once again hosted the dinner/auction to support Almost Home, which provides shelter and housing assistance.

## City begins Adopt-a-Street program

Looking for a way to give back to the community while helping to keep Brighton beautiful? The city's Streets and Fleet department is accepting applications for its Adopt-a-Street program, according to a city release.

Adopt-a-Street is a litter-reduction campaign to remove trash and debris from city streets and improve the quality of our environment. The program offers individuals, groups and businesses the chance to demonstrate their desire for a cleaner community by taking an active role to help beautify and keep streets litter free.

The city has pre-selected several streets that represent the worst litter areas. By volunteering to Adopt-A-

Street, individuals or organizations agree to remove litter from at least one mile of roadway, six times a year, for at least a year.

The city will provide safety training, trash bags and safety vests at no cost to volunteers; and will haul away bagged litter and all heavy debris or hazardous objects. Adopted streets will have a sign recognizing the individual/group that adopted the street.

Those interested in Adopt-a-Street, can request an application by calling Streets and Fleet at 303-655-2034 or e-mailing [lmaier@brightonco.gov](mailto:lmaier@brightonco.gov).
